

OpenMath Preface

This volume contains the papers presented at the 25th OpenMath Workshop held on July 10, 2013 in Bath.

There were 3 submissions. Each submission was reviewed by at least 3, and on the average 3.3, program committee members. The committee decided to accept 3 papers.

We would like to thank our peer reviewers for carefully reviewing the submissions and giving constructive feedback.

This proceedings volume has been generated with EasyChair and ceur-make, which made this task really convenient.
